he is invited as ORR man to participate in ORR red-carpet briefing.

B. During the past week [_____] modified the lecture on geography of the USSR to include more photographs and maps. The lecture will be given in the USSR regional course for OSI in October.

C. Responses to [_____] draft text on Intelligence Research Facilities and Techniques are continuing to come in. Some sections require a few minor changes only; two sections require re-writing. In connection with the text, [_____] met with OSI personnel during the past week to discuss the sections on writing requirements and on external research contracts.

D. During the past week [_____] have been working on projects to be used in the Intelligence Techniques Course.

E. On Monday, 18 August, [_____] gave the Reading Skills Test to an NEA Intelligence Officer. Because he is unable to take the Reading Techniques Course, [_____] is giving him materials for self study.

F. [_____] feels that a minimum knowledge of world geography would be desirable for most, if not all, Agency personnel. To discover the level of knowledge of world geography
